

## **Lift up your voices**

**Lift up your voices now**

**Sing praises unto God**

**For all the things that he has done**

**All for it all to him**

**He/She is the morning sun**

**Sing praises unto God**

**We lift our voices to God**

Oh we praise you Lord

Oh we praise your Lord

We worship

We praise you

Adore you

We love you

For all of the things you have done

For all of the things you have done

For all of the things you have done

## Let go, let God

**As soon as I stop worrying  
Worrying how the story end(s)  
When I let go and I let God  
Let God have his way  
That's when things starts  
happening  
When I stop looking at back then  
When I let go oh, and I let God  
Let God have his way**

*I couldn't seem to fall asleep  
There was so much on my mind  
Searching for that peace  
But the peace I could not find  
So then I kneel down to pray  
I said Lord, help me please  
Then he said, "You don't have to  
cry"  
'Cause I'll supply all your needs*

Let go, and let God  
Let go, and let God  
Let go, and let God  
Let go, and let God  
...

**As soon as I stop worrying  
Worrying how the story end(s)  
When I let go and I let God  
Let God have his way  
That's when things starts happening  
When I stop looking at back then  
When I let go and I let God  
I let God have his way**

## Open the eyes of my eyes Lord

Open the eyes of my heart, Lord

*Hallelujah, thine the glory*

Open the eyes of my heart

*Hallelujah, Amen*

I want to see You

*Hallelujah, thine the glory*

I want to see You

*Revive us again*

Silence the noise in my mind Lord

*Revive us*

And open the eyes of my heart

*Restore us*

I want to see You

*Transform us*

I want to see You

*Lord revive us, again*

**To see You high and lifted up**

**Shining in the light of Your glory**

**Pour out Your power and love**

**As we sing holy, holy, holy**

Open the eyes of my heart, Lord

Open the eyes of my heart

I want to **see** You

I want to see You

## I need you

I need you, you need me.

We're all a part of God's body.

Stand with me, agree with me.

We're all a part of God's body.

It is his will, that every need be supplied

You are important to me, I need you to survive.

You are important to me, I need you to survive.

I pray for you, you pray for me

I love you, I need you to survive

I won't harm you with words from my mouth

I love you, I need you to survive

...

It is his will, that every need be supplied.

You are important to me, I need you to survive...

## Kingdom

*My heart has always longed for  
something more  
I searched the stars to knock on  
Heaven's door  
Creation groans for God to be revealed  
And every wound we carry will be healed  
My eyes on the Son  
Lord, Your will be done*

**Thine is the Kingdom  
The power, the glory  
Forever and ever  
He finished my story  
We're singing freedom  
Our testimony  
We'll be singing forever, amen  
We'll be singing forever and ever,  
amen**

*Beautiful, each color that He made, yeah  
Your love's the only remedy for hate  
You'll return to set the prisoners free  
Till then Your will on Earth be done in me  
My eyes on the Son  
Lord, Your will be done (hey, come on!)*

**Thine is the Kingdom  
The power, the glory  
Forever and ever  
He finished my story**

**We're singing freedom  
Our testimony  
We'll be singing forever, amen  
We'll be singing forever and ever,  
amen**

(Intermezzo)

If you ever wondered  
What Heaven looks like  
It's looking like me and you,  
yeahhh  
If you ever questioned  
What Heaven sounds like  
Just let it fill the room

He's coming, He's coming  
He's coming, He's coming  
He's coming, He's coming

...

If you wanna know what Heaven  
looks like  
looking like me and you  
If you wanna know what Heaven  
sounds like  
just let it fill the room

....

## Lobe den Herrn

Lobe den Herren, den mächtigen König der Ehren,  
meine geliebete Seele, das ist mein Begehren.  
Kommet zuhauf, Psalter und Harfe, wacht auf,  
lasset den Lobgesang hören.

Uhh

Lobe den Herren, der alles so herrlich regieret,  
der dich auf Adellers Fittichen sicher geführtet,  
der dich erhält, wie es dir selber gefällt;  
hast du nicht dieses verspüret?

Uhh

Lobe den Herren, der kunstvoll und fein dich bereitet,  
der dir Gesundheit verliehen, dich freundlich geleitet.  
In wieviel Not hat nicht der gnädige Gott  
über dir Flügel gebreitet!

Uhh

Lobe den Herren, der sichtbar dein Leben gesegnet,  
der aus dem Himmel mit Strömen der Liebe geregnet.  
Denke daran, was der Allmächtige kann,  
der dir mit Liebe begegnet!

Denke daran, was der Allmächtige kann,  
der dir mit Liebe begegnet! Leise singen!

## Make room

Here is where I lay it down  
Every burden, every crown  
This is my surrender  
This is my surrender  
Here is where I lay it down  
Every lie and every doubt  
This is my surrender

**I will make room for You  
To do whatever You want to  
To do whatever You want to  
And I will make room for You  
To do whatever You want to  
To do whatever You want to**

Here is where I lay it down  
Every burden, every crown  
This is my surrender  
This is my surrender  
Here is where I lay it down  
Every lie and every doubt  
This is my surrender ohhh

**I will make room for You  
To do whatever You want to  
To do whatever You want to  
And I will make room for You**

**To do whatever You want to  
To do whatever You want to,  
Jesus**

Ohhh.....  
do what you want to, yes  
Ohhh.....  
mold how you want to

Shake up the ground of all my  
tradition  
Break down the walls of all my  
religion  
Your way is better  
Your way is better  
...

And I will make room for You  
To do whatever You want to  
To do whatever You want to  
I will make room for You  
To do whatever You want to  
To do whatever You want to

Here is where I lay it down  
You are all I'm chasing now  
This is my surrender

## Oceans

You call me out upon the waters  
The great unknown where feet may fail  
And there I find You in the mystery  
In oceans deep  
My faith will stand

**And I will call upon Your name  
And keep my eyes above the waves  
When oceans rise  
My soul will rest in Your embrace  
For I am Yours and You are mine**

Your grace abounds in deepest waters  
Your sovereign hand  
Will be my guide  
Where feet may fail and fear surrounds me  
You've never failed and You won't start now

**So I will call upon Your name  
And keep my eyes above the waves  
When oceans rise  
My soul will rest in Your embrace  
For I am Yours and You are mine**

Spirit lead me where my trust is without borders  
Let me walk upon the waters  
Wherever You would call me;  
Take me deeper than my feet could ever wander  
And my faith will be made stronger  
In the presence of my Savior

**And I will call upon Your name  
And keep my eyes above the waves  
My soul will rest in Your embrace  
For I am Yours and You are mine**

## Waymaker

You are here, moving in our midst  
I worship You  
I worship You  
You are here, working in this place  
I worship You  
I worship You

You are.....

**Way maker, miracle worker,  
promise keeper  
Light in the darkness  
My God, that is who You are  
Way maker, miracle worker,  
promise keeper  
Light in the darkness  
My God, that is who You are**

You are here, touching every heart  
I worship You  
I worship You  
You are here, (oh,) turning lives  
around  
I worship You  
I worship You

**Way maker, miracle worker,  
promise keeper  
Light in the darkness**

**My God, that is who You are  
Way maker, miracle worker,  
promise keeper  
Light in the darkness  
My God, that is who You are**

that is who You are  
that is who You are  
that is who You are  
that is who You are

Even when I can't see it, You're  
working  
Even when I don't feel it, You're  
working  
You never stop, You never stop  
working  
You never stop, You never stop  
working (come on)

**Way maker, miracle worker,  
promise keeper  
Light in the darkness  
My God, that is who You are  
Way maker, miracle worker,  
promise keeper  
Light in the darkness  
My God, that is who You are**

## Alright

*When I'm down, can't see my way,  
I know that all I have to do is pray.  
He brought me out so many times  
before.*

*I still believe, he'll bring me out  
once more.*

**4x**

**Alright. He'll make it alright.**

Jesus died, just to set me free.  
Left his throne above to save a  
wretch like me.

When there's no food on the table  
I still believe that my God is able.

**4x**

**Alright. He'll make it alright.**

I've been through the fire, I've been  
through the rain,  
Had my share of hard times, had  
my share of pain.

I've been up and I've been down,  
But Jesus is the best friend that  
I've ever found.

**4x**

**Alright. He'll make it alright.**

**A-a-al-right** \_\_\_\_\_

**A-a-al-right** \_\_\_\_\_

**A-a-al-right** \_\_\_\_\_

**A-a-alright** \_\_\_\_\_

He will make it alright

**Alright**

**Alright**

...

**A-a-al-right** \_\_\_\_\_

**A-a-al-right** \_\_\_\_\_

**A-a-al-right** \_\_\_\_\_

**A-a-alright** \_\_\_\_\_

He will make it alright

**Alright**

**Alright**

**Alright**

...

He will make it alright

**Alright. He'll make it alright!**

## Yeshua!

I've been searching  
Every nation  
For the answer to my questions  
But back to you  
Whatever I do,  
leads me back to you

...

Ahhhhh

....

## Omemma

He really, really moves oh

**Omemma**

**You're always on time**

**We can't do no wrong**

**Omemma**

**You leave the ninety-nine**

**Always for the one**

...

I know He loves me, I know He  
cares

Whenever I call, he always is right  
there

In times of trouble, he is my help

Yeah, I know no fear

I know He'll be right there

**Ay, He really does what He says**

**He will do**

**My God really moves, oh**

**Ay, why would I doubt when He  
always comes through?**

**My God really moves, oh**

**Omemma**

**You're always on time**

**We can't do no wrong**

**Omemma**

**You leave the ninety-nine**

**Always for the one**

**Für weitere Male**

## Look up

Sometimes your life feels like a broken rollercoaster  
with thousand useless moving parts  
Sometimes you spend your nights too scared of getting closer  
Hiding out in the back seat of your car

You tell yourself it's raining  
The clouds are in your head  
You tell yourself it's better  
To jump before you fall again, before you lose it all again

**Look up, do you see the sunlight?**  
**Look up, there's flowers in your hair**  
**Hold on, 'cause somebody loves you**  
**You know trouble's always gonna be there**  
**Don't let them bring you to your knees, yeah**  
**Look up**

Mondays aren't always bright, some days, you lose the fight but  
Life can be beautiful if you let it be  
Tomorrow keeps taunting you with all kinds of mystery  
It's a blank page for your poetry, if you let it be

You tell yourself it's raining  
The clouds are in your head  
You tell yourself it's better  
To jump before you fall again, before you lose it all again

**Look up, do you see the sunlight?**  
**Look up, there's flowers in your hair**  
**Hold on, 'cause somebody loves you**  
**You know trouble's always gonna be there**  
**Don't let them bring you to your knees, yeah**

## You say

I keep fighting voices in my mind  
that say I'm not enough

Every single lie that tells me I will  
never measure up

Am I more than just the sum of  
every high and every low?

Remind me once again just who I  
am because I need to know

Ooh-oh

**You say I am loved when I can't  
feel a thing**

**You say I am strong when I think I  
am weak**

**And you say I am held when I am  
falling short**

**And when I don't belong, oh, You  
say I am Yours**

**And I believe**

**I believe**

**What You say of me**

**I believe**

The only thing that matters now is  
everything You think of me

In you I find my worth, in you I find  
my identity

Ooh-oh

**You say I am loved when I can't  
feel a thing**

**You say I am strong when I think I  
am weak**

**And you say I am held when I am  
falling short**

**When I don't belong, oh, You say  
I am Yours**

**And I believe**

**I believe**

**What You say of me**

**I believe**

Taking all I have, and now I'm  
laying it at Your feet

You have every failure, God, You  
have every victory

Ooh-oh

**You say I am loved when I can't  
feel a thing**

**You say I am strong when I think I  
am weak**

**And you say I am held when I am  
falling short**

**When I don't belong, oh, You say  
I am Yours**
