Verse 1 – choir

Looking out across the nighttime

The city winks a sleepless eye~~

Hear her voice, shake my window

Sweet seducing sighs~~

Get me out into the nighttime

Four walls won't hold me tonight~~

If this town is just an apple

Then let me take a bite

Chorus

If they say why, why?

Tell 'em that it's human nature

Why, why, does he do me that way?

If they say why, why?

Tell 'em that it's human nature

Why, why, does he do me that way?

Verse 2 - choir

Reaching out to touch a stranger

Electric eyes are everywhere~~

See that girl__, she knows I'm watching

She likes the way I stare
