A Million Dreams

Strophe 1:

I close my eyes and I can see — *Sopran & Alt*
A world that's waiting up for me
That I call my own
Through the dark, through the door — *Tenor & Bariton*
Through where no one's been before
But it feels like home

They can say, they can say it all sounds crazy — *Sopran & Alt*
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy — *Tenor & Bariton*
We can live in a world that we design

Refrain:

'Cause every night I lie in bed — *Alle unisono*
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're gonna make

Strophe 2:

There's a house we can build — *Tenor & Bariton*
Every room inside is filled
With things from far away
The special things I compile — *Sopran & Alt*
Each one there to make you smile
On a rainy day

They can say, they can say it all sounds crazy — *Tenor & Bariton*
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy — *Sopran & Alt*
Runaway to a world that we design

Refrain:

Every night I lie in bed	*Alle harmony*
The brightest colours fill my head	
A million dreams are keeping me awake	
I think of what the world could be	
A vision of the one I see	
A million dreams is all it's gonna take	
Oh, a million dreams for the world we're gonna make	

Bridge:

However big, however small	*Sopran & Alt*
Let me be part of it all	
Share your dreams with me	
You may be right, you may be wrong	*Tenor & Bariton*
But say that you'll bring me along	
To the world you see	
To the world I close my eyes to see	*Alle harmony*
I close my eyes to see	

Refrain:

Every night I lie in bed	*Tenor & Bariton*
The brightest colours fill my head	
A million dreams are keeping me awake	*Sopran & Alt*
A million dreams, a million dreams	*Tenor & Bariton*
I think of what the world could be	*Alle harmony*
A vision of the one I see	
A million dreams is all it's gonna take	
A million dreams for the world we're gonna make	

For the world we're gonna make	*Alle unisono*
